Aukett Swanke Group Plc
(the "Company", or, together with its subsidiaries, the "Group")

Notice of presence at Anticipate London 2024

Aukett Swanke Group Plc (AIM: AUK), the smart buildings and architecture group, is pleased to announce a collaboration between its subsidiaries smart buildings master systems integrator Vanti Ltd and design architects Aukett Swanke Ltd, with Informa, the FTSE-100 business intelligence and exhibitions group which is a longstanding client of Vanti.

Aukett Swanke Group plc Unveils 'The Nerve Centre' by Vanti: A Groundbreaking Innovation in Smart, Adaptable Real Estate

The Group announces the debut of a pioneering real estate feature, 'The Nerve Centre,' at Informa's show Anticipate London 2024, at the ExCeL Centre on the 2nd to the 4th of December 2024. This is a revolutionary concept, developed in a collaboration between Vanti, a leader in master systems integration, and renowned architectural design firm Aukett Swanke.

Introducing the 100-Year Chassis: A Vision for Sustainable, Future-Ready Spaces

The 100-Year Chassis is a highly durable and adaptable structural framework conceived by Aukett Swanke, designed to support a wide range of uses over multiple decades. The 100-Year Chassis addresses the evolving needs of modern property design by providing a flexible and sustainable foundation for spaces that adapt to changing demands by considering usable volume rather than floor area.

Showcasing at Anticipate London: The Nerve Centre

The Nerve Centre, a central feature at Anticipate London 2024, will provide attendees with an immersive experience into the future of smart building management. Modelled as the control room of a high-rise building, *The Nerve Centre* demonstrates how cutting-edge technology can enable real-time environmental monitoring and dynamic space reconfiguration, offering a tangible look into the future of adaptive real estate.

Key features of *The Nerve Centre* include:

- Live Dashboard Demonstrations: Real-time data showcasing building performance on advanced digital displays.
- In-Depth Tech Tours: Exclusive tours of the underlying systems driving adaptability within this innovative structure.
- Expert Insights: Presentations from industry leaders on the integration of data and AI in real estate technology.

Nick Clark, Chief Executive, commented:

"We're delighted to be partnering with FTSE-100 group Informa to run their Nerve Centre experience at Anticipate London. This allows us to demonstrate the 100-year Chassis architectural concept as we consider the need for buildings to be designed to last, which means making them adaptable enough to cope with the increasing pace of change. Vanti technology powers Informa's offices across the globe from New York to Singapore and it's a pleasure to be showcasing our work at this exciting new converged event."
